

PROCUREMENT

THE RIGHT PRODUCTS IN THE RIGHT PLACE AT THE RIGHT TIME

You pay attention to quality, economic efficiency, readiness to deliver, and flexibility. You are working on a lot of topics at once, but have little time and a lot of responsibility for a problem-free course of construction.

TROX is happy to support you personally, or quickly and easily through the online customer centre. At TROX NET, you, as a registered customer, can obtain information about the following:

- Status quo orders (e.g. processing status, expected date of dispatch, etc.)
- Price lists
- Delivery times
- Datanorm
- Selection programmes (PC versions)
